

Magic Dumpling Entertainment

Company Introduction

January 2018

A Chinese IP development company.

Founded in 2009 and led by former Disney creative executives Yi Yan, Wen Feng, and Kevin Geiger, **Magic Dumpling (Beijing) International Cultural Media Corporation, Ltd.** (aka Magic Dumpling Entertainment) has developed content for the world's largest entertainment companies and created Disney's first original animated Chinese co-production: **BAN JIN BA LIANG**, which premiered at #1 on CCTV's kids channel. Magic Dumpling Entertainment is currently developing high quality Chinese animated series, features and immersive media (AR, VR, MR).

Seasoned creative leadership.

CEO Yi Yan is an award-winning screenwriter with many Chinese film and television productions to his credit, and was recently Director of Story for Disney China.
